Your Village Newsletter

Many thanks to Tom and Jim for taking up their duties as volunteer newsletter deliverers, we are now back to full strength on the team.

If you would like an electronic copy, please let us know. WE are keen to print copy about items of general interest to the Village – so if you belong to a club, society or whatever, please let us have written or electronic copy by the 18th of the month.

As you will see we have started to build up a directory of local people who provide local goods and services. In these days of the 'Credit Crunch' – its good to think that we could all support ourselves and our own local industry – why buy your spring greens from Poland, Thailand or wherever in "XXXcos", when you can buy them just down the road from Janet and Bernard Walkers local produce stall at Rose Farm on the A17? – why have your vehicle dent sorted out in Skegness when it could be done at Burdalls Body Shop here in the village? Do you really need to get your home extension work done by a Lincoln firm when it could have been done by Bristows Builders of Bell Lane, or your kitchen fitted by Moben, when it could have been done by Elwyn Hayes of Old Main Road?

Lets all wake up and smell the coffee – successful villages in the 21st Century only survive by supporting one another. We cant fix the world economy – but we **can** fix our own. *The editor*

If you provide goods or services and are based in the village – please let us know your name, brief description of service provided and a contact phone number, so we can build up a local directory and support one another.

Gardening Club

Your Parish Church

...is undergoing much needed restoration works at the moment to return it to watertight condition. This is all thanks to the generosity of our sponsors - **local** people providing **local** cash; and we have responded by employing **local** craftsmen to carry out the work - wrought iron work, roofers, scaffolders, builders, plasterers - this our chance to repay our parishioners for their generous investment in us by giving back to the village through supporting the **local economy**.

Christian Aid

We will be holding a Social Morning in Church on Saturday 9th May to raise funds for Christian Aid. There will be coffee and snacks available, cake stall etc.. The main purpose of this is to raise funds for Christian Aid which will be 'paid in' at a special Service in All Saints on Sunday 10th

PLEASE COME AND SUPPORT THIS VERY WORTHY CAUSE

Village Directory

We want to **build up** a list of local people who offer Goods and Services, which local people can support.

If you want to be included, just give us some information – theres no charge. The information must be written however, so please let us know by dropping it through the door of 25 old main road or by email to the editor. We will publish this list as it grows, with the aim that we can all help one another – **LOCALLY**. If you want to amend your entry – same thing applies – just let us have the copy!!!

So if you do bookkeeping, mend drains, electrics, housework, ironing – whatever – just let us know, so we can help you to grow - locally.

Like Singing?

But maybe a bit shy or worried your voice is out of practice?

Come along and have a sing with our small choir at All Saints. We practice on Thursday evenings at 7pm for an hour or so. In church if its warm or at 25 old main road if its not!

We're a friendly bunch, so don't be shy – if youre between about 8 years and 80 years, pop in on Thursday and see what we are about – its not boring, and we will make you welcome
