*An exhibition in the Church*

**SUNDAY NOVEMBER 11<sup>TH</sup> 2018**

**12 - 4pm**

*(After the Remembrance Service)*

- Take another opportunity to see the **Market Deeping posters, dossiers and photographs** of those who served in the war. They were prepared by the **Deepings Remember 1914-1918** group as part of the huge exhibition in the Community Centre in November 2014.
- Explore other items (including medals) connected with the war and especially with the Armistice and eventual peace.

- **New information too!** Find out about 23 new names of men who served – many in the recently uncovered Parish Magazines from the war. See if you are related to them!

- Read **the moving letters written by the Rector, Canon Ashby**, when he was serving as a front line Chaplain in the trenches – especially the one written to the children of the Sunday School, featuring **“Whiz Bang” the kitten.....**

*Join with us in remembering those men and women who served in the war - those who survived and those who never returned to their families and to our community. Life was never quite the same again.*
