

Can you help?

Peterborough City Hospital Chaplaincy

require help on a Sunday Morning to:

- o **Transport patients from wards to the Chapel for Sunday Worship**
- o **Give company to those who are ill who may attend**
- o **Boost the congregation and give support to the worship**
- o **Perhaps contribute musically or in other ways to the service**

Can you give regular help in this way, supporting those in need and the wider mission of the church?

**If so, please contact:
Philip Jones, Chair of Churches Together on 01778 347011
or e-mail office@opendoordeeping.org.uk**
