

ON-LINE QUIZ – 27th MARCH 2021

- The quiz will be conducted on-line using the “Zoom” video meeting facility. If you have not used Zoom before, details of how to access it will be sent to you. You will need a PC, laptop or other portable device with an internet connection, with a microphone and, ideally, a camera.
- You will compete as a team of up to 6 people, who don’t need to be at the same address as you. (Zoom allows participants at different addresses to be linked together in what it calls breakout rooms).
