

How to find St. Guthlac's Market Deeping

Our main service starts at 10am on Sunday and we all try to be in Church at least 10 minutes before the service starts. Refreshments are served after the service. We also have regular services on Wednesday at 10:30am, Sunday 8am, and Sunday 6:30pm.

Market Deeping is just off the A15 (Peterborough to Lincoln) at the junction with the A1175 (Stamford to Spalding). Look for the Church with a tower.

From North:

Turn off the roundabout into Market Deeping (A15/A1175) & head south along Hallfleet (B1524) into Church Street. Just before the Church you give right of way – single file traffic.

From South & West:

Head north along Church street (B1524) from the roundabout next to the Town Hall. This roundabout has a tree at its centre.

Parking: There is no car park. On-street parking on The Avenue, The Orchard, St Guthlac Avenue or Church St. There is a small car park opposite the Church in the Green School that takes 5 cars and a disabled parking space –arrive early to park here.

Children are very welcome and if needed there are blue bags with activities to keep them occupied during the service. Please ask about our crèche, Sunday school (Young Explorers) that take place during the service.

If you have any questions when you're at St Guthlac's then please ask. If you need a gluten free wafer, or would like communion bringing to your seat please let us know.

We have a full disabled access toilet in the church
