Collect

O God,
the strength of all those who put
their trust in you,
mercifully accept our prayers
and, because through the weakness
of our mortal nature
we can do no good thing without you,
grant us the help of your grace,
that in the keeping of your command-
ments
we may please you both in will and
deed;
through Jesus Christ your Son our
Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.

The Postcard Project.

This involves sending messages of support via postcards to young migrants and refugees that the Children's Society work with.

The society is asking its supporters to write messages of solidarity and support to welcome young people who have recently arrived in the UK. Some may be newly arrived, and some may have been here for some time.

Please take a postcard from the back of church and write a message. Cards returned will be collected next week, and will all be sent off together.

Keep your message positive, about hope and the future, not about traumas of the past.

Keep your message faith free, so that it may be shared with someone of any faith or none.

Example messages

I hope you feel safe and welcome here.

We wish you strength to take on the new challenges you face.

I wish you all the best for the future and hope you will be well and happy.

You are important and valued. Welcome to this country.

Stay strong and believe that you can make it.

You do not need to fill in your personal details unless you wish to be kept up to date or to receive a postcard in reply. The young people will not be given your information.
