Christ Triumphant

## Collect

God, who in generous mercy sent the Holy Spirit upon your Church in the burning fire of your love:  
grant that your people may be fervent in the fellowship of the gospel that, always abiding in you, they may be found steadfast in faith and active in service;  
through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

## Please pray for;

3rd Monday	7pm	CAMEO (social games evening)	church hall

### From a church in France (translated)

When you enter this church it may be possible that you hear the “call of God”.

However, it is unlikely that He will call you on your mobile. Thank you for turning off your phones.

If you want to talk to God, enter, chose a quiet place, and talk to him.

If you want to see Him, send him a text whilst driving.

Thanks to a friend on facebook

### Centenary patterns

A friend brought me a pattern book yesterday dated 9/18. Price 3d

Anyone wanting a yoke for their camisole, or a trimming for a chemise, I have just the thing!!!! But it was the advert for a book of new 'recipes' that caught my eye. It Includes 'newly designed garments for menswear in trying conditions'! From aviation to mine sweeping apparently. I think it meant the men were in the trying conditions, not the makers!

There is also a good deal for ladies only on insurance—at 1/6 a week, with payments of £4 a week if you need to claim!

Nearly 3000 people on average commit suicide daily, according to WHO. For every person who completes a suicide, 20 or more may attempt to end their lives. About one million people die by suicide each year. Suicide is a major preventable cause of premature death which is influenced by psycho-social, cultural and environmental risk factors that can be prevented through worldwide responses that address these main risk factors. There is strong evidence indicating that adequate prevention can reduce suicide rates.

World Suicide Prevention Day, which first started in 2003, is annually held on September 10 each year as an IASP initiative. WHO co-sponsors this event. World Suicide Prevention Day aims to:

- Raise awareness that suicide is preventable.
- Improve education about suicide.
- Spread information about suicide awareness.
- Decrease stigmatization regarding suicide.

WHO and IASP work with governments and other partners to ensure that suicide is no longer stigmatized, criminalized or penalized. WHO's role is to build political action and leadership to develop national responses to prevent suicide, strengthen national planning capacity to establish the core building blocks of such a national response, and build the national capacities to implement these responses.
