## Collect

Blessed Lord,  
who hast caused all holy Scriptures to  
be written for our learning:  
grant that we may in such wise hear  
them,  
read, mark, learn and inwardly digest  
them,  
that by patience and comfort of thy holy  
word,  
we may embrace and ever hold fast  
the blessed hope of everlasting life,  
which thou hast given us in our Saviour  
Jesus Christ,  
who liveth and reigneth with thee,  
in the unity of the Holy Spirit,  
one God, now and for ever

**November** is an annual event involving the growing of moustaches during the month of November to raise awareness of men's health issues, such as prostate cancer, testicular cancer, and men's suicide. The goal of Movember is to "change the face of men's health." Movember aims to increase early cancer detection, diagnosis and effective treatments, and ultimately reduce the number of preventable deaths. Besides annual check-ups, the Movember Foundation encourages men to be aware of family history of cancer and to adopt a healthier lifestyle.

**There will be a FREE Prostate Cancer screening clinic on Nov 3rd at St Mary le Wigford from 10-4 (allow 30min)**

I don't think there will be one member of our church who will be pleased to see Matt leave us this week. Since his arrival we have all taken him to our hearts. His outgoing friendly approach, and the feeling we all got that we all really mattered, made us feel that he was not just here to find out about urban (ie St Mary's ) ministry but to take a full part in the life of the whole parish. He has led a working team to develop our Sunday worship, taken a regular part in school worship, played board games with CAMEO, and given help in so many ways both personal and collectively. In all areas his impact over the last few months has been great and he will be sorely missed. We hope that he will soon find a new placement, where his talents and character will be appreciated as much as they have been here.
