We are asking for any unwanted gifts and small new, or nearly new, items to be offered to your church for a joint Silent Auction to be held in Winterton in May 2010. 'Promises' to be auctioned will also be gratefully received.

If you have any suitable items please make contact as listed above. We wish to collect items to be offered during January and February 2010.

Please check your cupboards now!

Each church will gain the full value of every item sold at the auction which was offered from its own parish.

Items required include new or nearly new household items, small items of furniture, jewelry, personal gifts, curios etc.

Items must be in good, clean condition. We are unable to accept large, heavy or damaged items or any used electrical items.

Please help us to 'recycle' those items you now do not need!
