Lent is a time of slowing down, reflecting and being more intentional about giving your time and priorities to God, whether through prayer, acts of kindness, or giving something up.

Lent isn't about self-denial, but about renewal. A time to reset, refocus, and prepare for the joy of Easter.

Whether you're a lifelong Christian, someone rediscovering faith, or just curious, come and experience this tradition for yourself.

For you are dust,
and to dust you shall return.
