Squirrel City

Three buildings in town were overrun by squirrels—the town hall, the hardware store, and the church.

The town hall brought in some cats. But after they tore up all the files, the mayor got rid of the predators, and soon the squirrels were back.

The hardware store humanely trapped the squirrels and set them free outside of town. But three days later, the squirrels climbed back in.

Only the church came up with an effective solution. They baptized the squirrels and made them members. Now they see them only at Christmas and Easter.

LEDGERWOOD MORGAN

For Morgan in Lincolnshire and on the east coast

UK Morgan Dealer of the Year 2006 and 2009

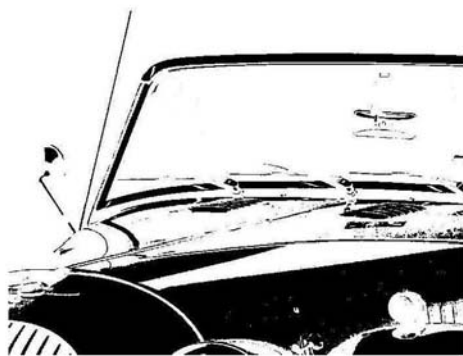

As fashions come and go, the classic lines of the Morgan Sports Car remain as fresh and relevant as the day it was designed.

As your gaze sweeps forward over the long bonnet you can begin to realise that this car can stir the soul before you turn the key in the ignition.

Central to every Morgan is over 100 years of designing and building hand-made sports cars.

The Morgan Motor Company has a level of craftsmanship that makes the Morgan sports car an individual pleasure in a mass produced world.

A Letter from our Vicar

Dear All

You won't need me to tell you how long we've been living in Lockdown. Like me, I guess you're ticking off the weeks on your calendars. And at the moment there's little, or no sign of a return to "normality", whatever that will be.

At the time of writing, I can confirm that the House of Bishops has been meeting, virtually of course, and is beginning to sketch out what returning to our churches might look like. Like everything else there is no hard and fast timetable for anything... But there is progress of a sort. Clergy are now permitted to enter their churches, for private prayer and / or recording or streaming of services. By the time you read this, hopefully we will have managed to do this. For various reasons I will only be doing this from Winterton All Saints, because we have the technology there and also running water and washing facilities. Streamed services will be available either to watch live, or to be picked up later, via:

YouTube at <https://www.youtube.com/watch?v=rJTnqZ5e8ko>

or Facebook <https://www.facebook.com/AllSaintsWinterton>

At an unspecified time, further down the line churches will be permitted to carry out what the Bishops rather quaintly call "certain rites & ceremonies" in church. These I take it are probably funerals and later on weddings. But numbers will continue to be strictly limited and of course social distancing will be required.

Even further down the line will be a return to public worship, with restrictions on numbers, and the usual hygiene and social spacing rules. It may be some while before people can share the chalice at Communion, and of course that will continue to be a matter of personal choice. We may not be allowed to sing, as some scientists think that singing projects more virus infection (if you happen to have it) than coughing.

In the meantime please keep being hopeful, our God is still with us, and the Church is still here for you too. I'm trying to get round to everyone by phone or e mail, but if you wish to have a talk with me please feel free to get in touch.

In Christ's Love
Albie

Coronavirus guidance from the Church of England

Data as published on 20 May 2020 from

<https://www.churchofengland.org/more/media-centre/coronavirus-covid-19-guidance-churches#na>

Clergy access to churches

The House of Bishops' statement on 5 May 2020 authorises "very limited access to church buildings for activities such as streaming of services or private prayer by clergy in their own parishes, so long as the necessary hygiene and social distancing precautions are taken".

Can funerals still go ahead?

Sadly, funerals may now only happen at the Crematorium or at the graveside. Only immediate family members can attend (if the crematorium allows) – that is, spouse or partner, parents and children, keeping their distance in the prescribed way (this is true also for the burial of ashes). No wake or gathering should be held following the funeral, and this should be scheduled for a later date.

We recognise how difficult this will be for many and add to the pain of a loss, and encourage you to discuss with your vicar or minister the possibility of a memorial service at a date in the future where more people can be present.

Can wedding still go ahead?

Sadly, there can be no weddings in church buildings until further notice. It is not currently possible under English law for a wedding to take place using video conferencing technology without the couple, priest and witnesses being physically present.

Can baptisms still go ahead?

Emergency baptisms can take place in a hospital or at home, though subject to strict hygiene precautions and physical distancing as far as this is possible.

Why do Brides Wear White?

Attending a wedding for the first time, a little girl whispered to her mother, "Why is the bride dressed in white?"

The mother replied, 'Because white is the colour of happiness, and today is the happiest day of her life.'

The child thought about this for a moment then said, "So why is the groom wearing black?"

The Big Music Sunday Service: 14 June, 6.00pm

Everyone is invited to join the Royal School of Church Music in celebrating the role of music and musicians in church life.

This year instead of coming together in our churches and communities for special services and events, we invite you, your fellow congregants, friends and families to join us in this very special service.

The **Very Revd Dr John Hall, RSCM Chair of Council** (and recently retired Dean of Westminster) will lead the service during which you will be able to join in with choirs from the UK and around the world, singing your own part in the hymns, psalm and anthems; or you can simply join as a member of the congregation.

All the music for the service, including the specially commissioned anthem by **Thomas Hewitt-Jones, *Hymns and Psalms and Sacred Songs***, will be available to download from the web-shop on a special feature page from Friday 22nd May. You can then circulate the music amongst your choir and friends.

To get involved in the singing

1) Download the music for the service from

<https://www.rscmshop.com/books/RS376/the-big-music-sunday-service>

There is a small one-off charge* but this allows you to share the music with your choir and will support us in our work.

2) Share the music with all the singers in your choir

3) Tell your friends and contacts about the Big Music Sunday Service

4) Use the practice tracks to rehearse in your own time

5) Let us know you are joining by using the link at

https://forms.office.com/Pages/ResponsePage.aspx?id=OCvPvs6UxUObRL-TPP-4lrjRNjJUUGxLv433_5um1EZUNEdFMkVZU1c1QUU4N1JaSEZJWjczUEExTiQIQCN0PWcu

6) Join us on the RSCM Centre YouTube channel at 6.00pm on Sunday 14 June – there will be a link on our website homepage.

Whether you choose to just listen to the service or to sing with us, do join the RSCM on Music Sunday.

* RSCM is a charity – it gets no money from the government, or from the church – and it needs to make sure it is able to continue to supply the resources and help that is needed now more than ever. Thank you.

Message from the Methodist Manse

At the time of writing this message, I have just had my annual two-week holiday, which should have seen me travelling around Washington DC but instead saw me having a 'staycation' because of the COVID-19 lockdown. It wasn't what I expected but I made it work.

During this time, one of the things I finally got around to doing was putting various holiday photos in their albums and enjoying the reminiscing of doing so. This is to be my last 'message from the Methodist Manse' as next month (July), all being well, I shall be moving to pastures new and so, I thought I'd do some reminiscing of my five years here in Winterton and its surrounding villages. I came to Winterton, fresh out of ministerial college. I didn't know the area and I didn't know anybody but my time has been blessed getting to know some wonderful people, finding my way around the area and getting to know and enjoy some of the local cultures. I have had the privilege of being involved in numerous activities for the community – leading the Mayors Civic Service, lighting the annual Bonfire, as well as the beacon for the 100-year commemoration events since World War 1 ended, attending various fashion shows hosted by the Lions, leading the carol singing on Christmas eve with the Salvation Band, going into the schools and leading assemblies and so so much more. I have lived in a number of places over the years but nothing as unique and special as Winterton and many of you folks.

It is therefore, with a heavy heart that I say good-bye but also thank you - you will always have a special place in my heart and I look forward to returning now and again to see some of you. But in the meanwhile, while we are still in this precarious situation, I implore you to stay safe and continue to look after and care for one another as only you do.

Every blessing
Helen Croft

Winterton Disabled Club

We are keeping in touch regularly with our members via phone calls to prevent loneliness during this enforced isolation. Members have been busy with their "homework" with some colouring quite a large amount of pictures. From a small exhibition it might turn out to become a large one instead...

Our committee has decided to provide our members with fish and chips every 2 weeks to make up for the absence of regular meetings. The Club pays for orders out of funds. This is very welcome and has become the highlight of the week for all.

The Coop staff continue to ensure that our orders are dealt with promptly and do their very best to fulfill demands. Our members are also Poirier Foundation members and both charities are working closely to ensure that life is as comfortable as possible for everyone on our lists.

Nicki Mumby, Chair

Poirier Foundation

Despite the lack of regular activities life is still extremely busy here. Time is passing and we are very keen on keeping in touch with members to ensure that everyone is OK and that shopping orders are met in good time. Thank you to Kathy, Nicky, Stuart and Kerrie for keeping in touch with all concerned. I would also like to thank our other volunteers, Carole, Mike, Liz and Estelle who are running errands for our members.

Obviously there is no possibility yet for restarting Lunch & Linger . When we are able to do so we will need to make changes with seating to take distancing into consideration. We will also need to review transport to lunches.

Hugo's Foot Care services: There will NOT be any Clinic until life returns to normal. For further update and to make an appointment please contact Hugo direct on 01724 645286.

We are delighted to have received generous donations to help cover costs of deliveries and purchase items to make emergency packs. We received another £500 anonymous donation and are most grateful to Andy Barnes from Barnes Cash & Carry who donated a car full of groceries and toiletries. Customers at the Coop are still leaving items in our collecting bin. Councillor Paul McCartan keeps in touch with either redirecting donations of goods or enquiries for people not on our lists. Thank you to all for their support and generosity.

An application to the Charities Aid Foundation Emergency Fund resulted in an award of £3000 being made. Another application to Tesco Bags of Help brought in £500. These awards are enabling us to provide a weekly meal to all Lunch & Linger members from the Butchers Arms. Members can place the orders themselves from the weekly takeaway menu and we settle the invoice with the Butchers Arms at the end of the week. We should be able to deliver this for approximately 16 weeks.

The Poirier Foundation is still a local good cause in the Co-op Community Fund. The amount raised so far has reached £590.80. With your support we can do even better. Can you please back the Poirier Foundation as your good cause? Your support can help raise more for causes in your community without costing you a penny. You will need to register your choice online or call 0800 023 4708 and choose us as your local good cause. Details can be found on <https://membership.coop.co.uk/causes/31850>.

Anyone able to support our work in any way is very welcome to get in touch. Please call 733441 for further information. We would dearly love to hear from people able to sponsor our taxi scheme required for people who are unable to use other transport, for instance for mobility reasons and from people willing to volunteer with catering duties when we resume our lunches. We would like to take this opportunity to send our best wishes to our catering assistant Brian for a prompt recovery after his accident.

KEEP WELL. KEEP SAFE.

Nicki Mumby

Vice Chair

VIRTUAL Open Gardens of Winterton 2020

Saturday 18 & Sunday 19 July

Open online to view both days

For details to submit your garden images/videos see
<http://lincoln.ourchurchweb.org.uk/winterton/whats-on/virtual-open-gardens/>

In aid of All Saints' Church funds

Winterton Virtual Open Gardens Weekend

Many of you will know that Winterton Open Gardens was to take place on July 18-19th, 2020. Sadly a decision to cancel the event was made early on in the 'lockdown' when it became clear that planning could not take place and there was no guarantee that it could be safely held under social distancing and other guidelines. Each year it has been held it has created significant interest and it has also contributed much badly needed funding to All Saints' Church in Winterton.

In its place All Saints will arrange a Winterton Virtual Open Gardens Weekend on 18-19th July, 2020. There will be an online collection of photos and short videos of gardens in Winterton. Any Winterton resident is encouraged to submit images/videos which can cover a range of ideas. There will be a link to the All Saints online fundraising page so that those who view the site online will have the opportunity to make donations if they wish. Those who submit images/videos will be encouraged to email family and friends to view the site when it is online that weekend.

You are invited to submit images/videos. Things you need to know about the images/videos required:

1. They must be taken in a garden/allotment or of a houseplant/window box in Winterton.
2. They may be taken at any time of the year.
3. They may show your favourite view [part of the garden, a close-up of a favourite plant or an aspect of wildlife in the garden] or anything which sparks your interest and gives you joy.
4. Short videos [ideally no more than 60 seconds] might show a walk in your garden or you carrying out gardening tasks.
5. Other ideas are possible such as before and after photos showing changes you have made to the garden or time-lapse images showing a blossom opening. Give your imagination free rein!
6. Each image/video to have your name and a title. If possible add a short sentence or two to indicate what is special/joyful about each image/video. We want to share happy thoughts as widely as we can!
7. Upload your entry before July 14th, 2020 so that there is time to create the site online. Details of special Facebook page later.
8. All Saints will retain final editorial control of which images are placed on its web pages.
9. Contact all your family and friends and ask them to view the site on 18-19 July. Explain that they will be encouraged to offer online donations to All Saints at Winterton as the real fundraising Open Gardens event had to be cancelled.
10. There is a page on the All Saints' Church website for all the details above and any later changes at

<http://lincoln.ourchurchweb.org.uk/winterton/whats-on/virtual-open-gardens/>

WINTERTON POSITIVE LIVES

**In response to the coronavirus pandemic we
are here to help !**

Winterton 2022 Update

Winterton Positive Lives

Winterton Positive lives has been set up to help offer advice and support to Winterton residents, it's 100% free and completely confidential.

Whatever your issue, be it depression, stress, insomnia, parenting, support for your child, relationship issues, or anything else, give Changing Lives a call / text / email on 07809737537 or wintertonchanginglives@gmail.com

Winterton Positive Lives is staffed by fully qualified counsellors who will work with you to look at your problems and help you to work through them.

This service is fully paid for by Winterton 2022 and can be used by Winterton Residents only. The service is run by Changing Lives through Changing Minds.

Credit Union

The Credit Union offices have been closed, however there is lots of online help on their website about their services <https://www.hullandeycu.co.uk>

Arts and Culture in Winterton

We are in the process of putting together a group which will look at arts and culture in the town - including activities and events. If this is something you think you would be interested in or where you could lend us your skills, then please get in touch - email kerrie.prowing@vanl.org.uk

Thank you

No matter how difficult the last few weeks have been and will likely continue to be, we can't thank those enough who have stepped up and worked incredibly hard during the crisis. Thank you all.

World War I Air Crash in Winterton

Estelle Mumby has unearthed a story which ended in tragedy for a young man called Albert Masters.

1st May 1918, Albert took off in Avro D173 from South Carlton airfield. He flew with eight other aircraft from 61TS. At around 10am just outside Winterton (possibly in the Carr Lane area), two of the aircraft collided. According to a local newspaper report, "One crashed through some trees, wrecking the machine and the pilot was killed. The other machine's propellers were broken and the airman escaped unhurt." For the full story see

<https://wintertonremembers.weebly.com/ww1-air-crash.html>

SUNDAY READINGS FOR JUNE 2020

7 June	Trinity Sunday Isaiah 40: 12- 17, 27- 31 2 Corinthians 13: 11- 13 Matthew 28: 16- 20
14 June	1 after Trinity (proper 6) Exodus 19: 2- 8a Romans 5: 1- 8 Matthew 9: 35-10: 23
21 June	2 after Trinity (proper 7) Jeremiah 20: 7- 13 Romans 6: 1b- 11 Matthew 10: 24- 39
28 June	3 after Trinity (proper 8) Jeremiah 28: 5- 9 Romans 6: 12- 23 Matthew 10: 40- 42
5 July	4 after Trinity (proper 9) Zechariah 9: 9- 12 Romans 7: 15- 25a Matthew 11: 16- 19, 25- 30

Parish Magazine editions and church website during the current crisis

While the current restrictions last it will remain difficult to distribute printed magazine copies. For July 2020 we will prepare an edition just to go online. Church services and some events may resume in July - we await further advice. We would like to include stories about life in our villages under the restrictions, what is happening, how people are coping, what issues have arisen and so on. Please let me, Robin Shawyer, know [tel: 734285 or email rdshawyer@gmail.com] and send any copy by 17th June.

We are pleased to see that our magazine editor, Freda Berisford, is now back at home but she is currently unable to access her computer. The July magazine may be edited by her, if not I will deal with it. The online parish magazines will be found at this page on the Winterton All Saints website <http://lincoln.ourchurchweb.org.uk/winterton/about-us/parish-magazine/>.

This website has other new pages: 'Thoughts and Prayers' written by Alice <http://lincoln.ourchurchweb.org.uk/winterton/faith-worship/thoughts-and-prayers/> and the 'Weekly Pew Sheet' prepared by Russell <http://lincoln.ourchurchweb.org.uk/winterton/faith-worship/weekly-pew-sheets/>. There is also 'Resources for Thought, Prayer and Worship at home' <http://lincoln.ourchurchweb.org.uk/winterton/faith-worship/resources-for-use-at-home/>. This has links to several national websites with hymn music from the Royal School of Church Music and links to podcast and BBC religious programmes. There is also a link to digital copies of the diocesan Crosslines magazine.

Lockdown Poems

The Winterton Federation was asked if pupils could write pieces about the Lockdown in early May. The following 22 items were received from pupils, some studying at home and some still attending school classes. No names are included as parents/carers could not all be contacted. Children from both schools have contributed. We are very grateful to the Head and Deputy for arranging this.

We apologise if any errors have been made in typing from some poems which were handwritten.

Although we hope this lockdown ends,
So we can be at school and see our friends,
We know we must keep home and warm,
To keep our family safe from harm,
So to the Lord we look and pray,
Keep us safe until that day

Our lives have changed,
Home, where school now takes place.
We must keep in our space,
2 meters apart.

Wash your hands regularly,
Do not touch your face.
No embrace.
Life is different.

Rainbows fill the windows,
People clap and cheer
For the ones saving our lives
In this very strange year.

This will not go on forever,
We will be free again,
But life will be much different,
After Covid 19s reign.

Coronavirus is all around
Wash your hands
Don't visit your gran

Learning fun; learning great
Our family good and great
Can't wait to create
Keeping fresh and nice
Down in the dumps in our locked away
days
Our brains ticking while we work
Wondering when this will end
Now the tide is starting to turn.

Lockdown is a hard time for us all
Over me and my family the Lord watches
from spring to fall
Care and love for each other so inside we
stay
Karaoke and dancing we love to play
Deep in our hearts we miss our family and
friends
Only the Lord knows in Him we trust, we
know this will end
We laugh and we learn and together we
love and pray
Now is a hard time so we pray and keep
our faith

World is lockdown
Some places are like ghost towns
No more hugging in the street
Family and friends we cannot meet
We must try our very best
To protect the NHS
Which means washing our hands
and not seeing our grans.
Soon this will be over
We will return to life again
You can't have a rainbow
without a little rain.

You are not stuck at home you are safe at home.
No more play dates with our friends
Stay on the phone and talk instead
We must protect the NHS
Washing our hands is the best
Stay 6 feet from the rest!
Some people are wearing a mask
Killing corona is the task.
But it is not all glum
Staying at home can be fun!
One day we will be together again
Corona will be down the drain
Just remember until then,
You are not stuck at home you are safe at home!

Social distancing seems like a bore
But you don't know what's behind the lockdown door
Behind this door you will peek
For the good sides of lockdown is what you seek
These sides only some people can see
They're things that glimmer as mysterious as can be

Family bonds growing strong
And hopefully siblings getting along
Even if school is out and we can't go out and about
We'll always have a family member
To help us remember
Families are always there for each other

Loving time at home with my dad I love him
Our weekend nights with cinema and popcorn
Can't see my friends but that's OK
Knowing Covid 19 is not nice
Day after day I miss my family
Our teachers are superheroes
Working hard and playing with my wrestlers
Not going out save lives, protects the NHS
And 2020 will get better

It makes me sad.
It is stopping me from shopping
Shopping till I'm dropping
My dog is crying his tears
Be like the queen and help us with our fears
I am missing my mummy and baby.

Lockdown is thrilling a bit
Because I get to see my friends but not fully work
It's been six weeks - it feels like forever
I want to go into hibernation till it goes away!
I 50%50 with it because I get more me time at home

Another Story from the Church Archives - Winterton Cemetery

The Town Cemetery opened in 1876 after the churchyard at All Saints was closed to most further burials. There had been some concern that the churchyard was becoming overcrowded and the Vicar reported this to the Local Board who were in charge of 'public nuisances'. A government inspector visited Winterton, his report went to the Vestry meeting and a decision was taken to create a new cemetery and to set up a new Burial Board to oversee it.

At the Vestry meeting a decision was made to borrow £2,000 for the new cemetery and chapels. The offer from Mr Dent to make available an acre of land close to the churchyard was turned down. Work began and the cemetery was completed in September 1876, a little later than planned. Queen Victoria's Order in Council dated 26 October 1875 stated that there were to be no new burials in the churchyard after 30 June 1876, except for the spouses of those already buried there. Then, on 7 March 1877, the Bishop of Lincoln consecrated the western half of the cemetery with its chapel for use by those belonging to the Church of England. The eastern half and chapel were for those of non-conformist beliefs.

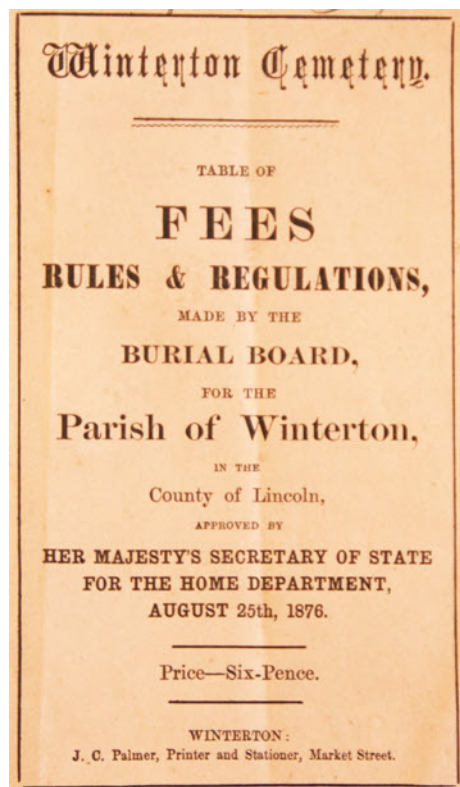

Cemetery and two chapels from the south

The cemetery plots were divided into four categories. The cemetery plan below is coloured to show first class plots [those next to the central pathway], second class plots [those bordering the other pathways] and third class [those which were accessed by passing other grave plots or at the rear of the cemetery]. There was a fourth section put aside for 'Roman Catholics, unappropriated and stillborn'. This is listed on the key to the plan but not shown in colour. However, it is just possible to see labelling on the plan which shows that the extreme rear of the cemetery has Roman Catholics on the left, Unappropriated in the middle and Stillborn Children on the right.

The plan [see page opposite] shows the two chapels and also the cemetery keeper's house bordering on the public road.

In the church archives is the 1876 copy of the Table of Fees Rules and Regulations made by the Burial Board in Winterton [image below shows the front cover]. It makes clear that:

'The Burial Ground will be open to the Public under certain regulations daily on Sundays, Good Fridays and Christmas Days from 12.30 o'clock until sunset, and on other days from 9 o'clock until sunset. Children under 12 years of age will not be admitted except under the care of a responsible person. Visitors will be expected in general to keep on the Roads and Walks and invariably to refrain from touching the Shrubs or Flowers and to observe perfect decorum in all respects. No DOGS will be allowed to enter the Ground. SMOKING strictly prohibited.'

The fees listed make clear the cost differentials between the different classes of plots. The charge for parishioners wanting a plot for an ordinary interment are:

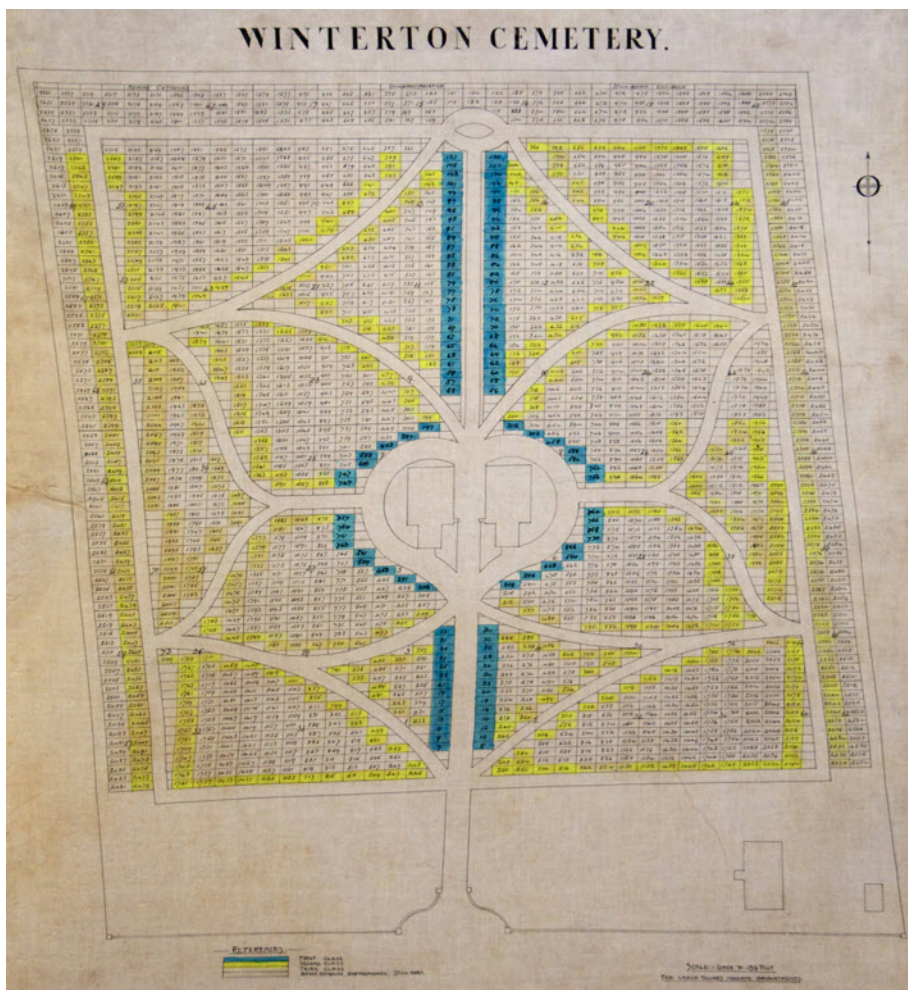

3rd class	2s.0d
2nd class	7s 6d
1st class	15s.0d

but for any still born, or a child under 1 month old, the charge for interment in the designated area is 1s.0d

The charges for non-parishioners are doubled.

For those wanting to purchase a plot in perpetuity a 1st class plot is £2.0s.0d

The cost of a memorial tablet or window in one of the chapels is £5.5s.0d.

Cemetery Plan with coloured key for class of plots

There is one interesting item in the archives at Lincoln which relates to the Cemetery. There are letters between the Vicar [Revd E S Wilson], the Burial Board and the Bishop about the use of the church bells for funerals held at the Cemetery. It seems the advice was that the church bells could only be rung for funerals conducted on the consecrated half of the Cemetery. Then later advice was not to ring the church bells for anything happening more than $\frac{1}{2}$ mile from the church. The Cemetery, of course, is almost exactly that distance.

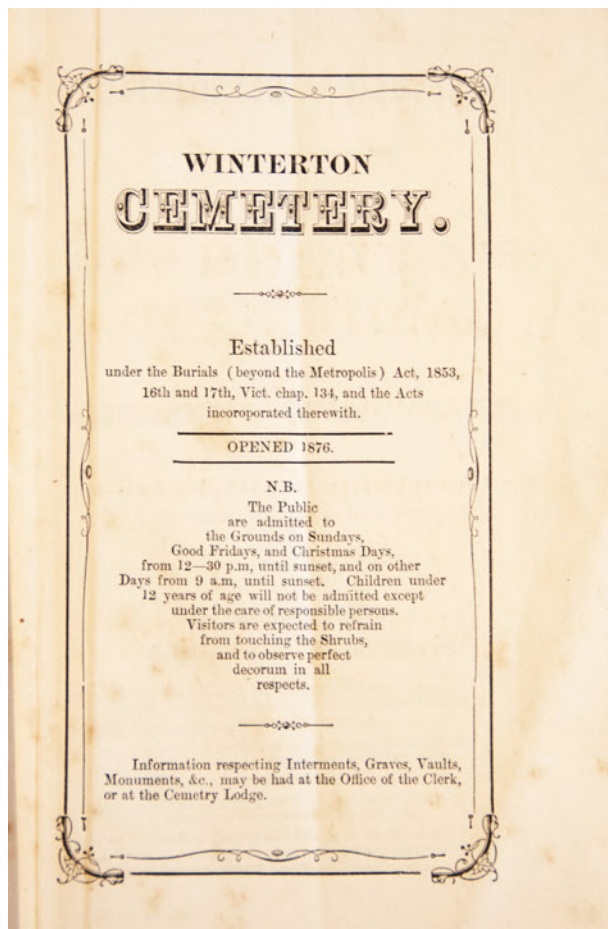

A large wall-plan of the Cemetery was given to the church several years ago. It may have hung in one of the chapels. It is similar to the plan shown here but it measures some 154 by 103cms. It was rolled up in a metal tube. At the end of the plan were wooden poles from which to hang it.

The plan was in a terrible condition and it was given to the Conservation Department at the University of Lincoln for treatment. They allocated it in 2012 to a student, Connor Tulloch, for the project element of his course. He produced a report entitled 'Conservation of 19thC Varnished Wall-map Plan of Winterton Cemetery', a copy of which is in the church archives.

He wrote in his report '*At first glance the map was entirely illegible.....*'. The varnish had turned dark brown, hardened and in many places cracked. The varnish had also collected much dust and debris. Storage conditions had led to the paper detaching from

the linen backing in places so that parts of the plan drawing were missing. As a result of his work, the plan was stabilised and missing parts of the plan redrawn. As he stated in his report: '*One of the main motivations throughout treatment was to enhance the legibility of the object. This was successful to an extent, the image remains partially obscured though greatly improved overall..... Consolidation of the fragile structure of the map was largely satisfactory....*'

But it needs to be kept flat and horizontal and there is no location in All Saints where this is possible. So at the time of writing it is awaiting a final destination which may have to be the archive office at Grimsby [the local office for civil as opposed to church archives].

NHS helps everyone
Wash your hands with soap
Be two metres apart
Don't underestimate COVID19!

Lockdown is boring
It make me angry
Don't go outside
Be sensible
Stay two metres away from each other
Clap for carers every Thursday at 8pm
Wash your hands with soap and water
Covid19 is dangerous

Six weeks we have been inside
Every day people sadly died
Holidays cancelled - all this sucks
This is what I am waiting for.
On the plus I can now sew.

When I first heard lockdown I wasn't
really bothered.
What would I do for school?
Would I play a fool?
Now I miss my horses because in
lockdown you can't go out.
Doesn't matter how loud you shout!
Stay home, stay safe
Stay two meters apart.
Wash your hands, wash your hands!
Only one member of your family can go in
the shops.
Spending time with family/parents and
spending more time with family in the
garden playing with my dog,
How I get through a fog!

Living with my family
Oh where will this end
Coronavirus is scary
Keep safe
Do not go outside
Outside is not safe
When will we be back at school
NHS are great!

Lockdown sucks so much I wish it was
over
Oh my goodness what can I do?
Coronavirus will spread so wash your
hands
Keep yourself safe
Don't go near your friends stay two
metres
On the first day of lockdown I was bored
When will this lockdown be over?
NHS is helping as much as they can.

Lockdown is insane
Moving around is a pain
Stopping me from playing with friends
Until I am dripping from football

Wash your hands with soap and water
Every Thursday clap for the NHS
NHS helps us all
Coronavirus is dangerous, unknown and
unpredictable
For six weeks I got up at six
Enjoy playing on my Xbox
I miss playing football
I wish it was over so I can play football

Lockdown is boring, I wish we could
go out,
Oversleeping all the time,
Coronavirus can make people ill
anytime.
Keep everyone safe by staying indoors.
Don't go near anyone,
On the phone is better for everyone.
Wash your hands, keep them clean,
NHS are trying their best!

Lockdown is boring
It stops me from shopping
But it's great as well as
Xbox all day, yeah!
Clap for our NHS
Wash your hands with soap and water
Keep clean
Stay safe.

Living in a small world
Oh I can't wait till it is over
Coronavirus is the worst
Keep safe wash your hands
Doors stay shut.
Oh I miss my friends
Why won't it stop now
Never ever has the world been so empty

Lockdown is boring
Oh this sucks so much
Clap for the NHS
Keep clean
Don't go near anyone
Only have one piece of exercise
Wash your hands with soap and water
NHS helps us all.

Lockdown is insane
Our normal lives have gone down the
drain
Moving around is such a pain
Social distancing is a hard thing.

Keep washing your hands for 20
seconds
Stay away two metres
Clap for NHS
Keep them safe

I miss football but I don't miss school
Staying at home is such a pain
At least I can game wake up at 7
More like half past 11.

Lockdown is boring
The anger is growing
Covid 19 will spread
Its messing with my head
Keep the NHS safe
Don't think you'll be alright when you
go outside
Wash your hands, try and stay safe
NHS will beat this virus

Reflections on Living in Lockdown

Friday 25th April 2020

Well we are all; well almost all; now 6 weeks into living in isolation due to the COVID-19 pandemic.

However, some of you will be like me in total lockdown

Which means we are advised to remain in our homes at all times for 3 months.

I don't know about you but I am been forever told –

You must be feeling so low and depressed being shut up alone in a fifth floor flat, unable to walk in the garden or local park and unable to go shopping, oh poor you.

My reply:

No, actually I feel really chilled out and at peace with myself

is received in silence, often followed with:

You are being sarcastic aren't you.

Well, I can state with my hand on my heart I am telling the truth,

I really DO feel chilled, relaxed and at peace with myself!

Being alone with one's self gives you time to reflect:
To revisit things you have done –
to learn by your mistakes.

My Christian family, loved ones and friends have
Recently spent the 6 weeks of Lent, Holy Week and Easter Day
Very differently than in our lifetimes so far –
Unable to enter into Church as they are all locked
Only able to worship alone, via TV, radio or with an app.
This has given us partial insight into the first Easter
When after the crucifixion Christ was laid in a borrowed tomb.
On the Sunday he rose again.....

However, all the disciples and followers were left
Feeling alone, frightened and scared for their lives.
They would be meeting, in hiding, with no churches
No freedom only the fear of the unknown and of what
laid ahead of them.

We Christians in 2020 should be thankful we are
not exactly in fear of oppression, torture, death....
But we are experiencing the threat of a pandemic
hence the need to remain in isolation.
We need to be thankful we are able to freely practice
Our Faith during such a difficult time even though
the Churches are closed.
We have experienced the words He spoke:
When two or three are gathered in my name,
I am there in the midst of them."

Jesus also said:

Never will I leave you or forsake you
Even in your loneliest moment you are never alone"

Yes, the positive out of this solitude is being able to
actual experience the Faith as written in The Bible.
This deepens one's faith and resolve.

My Islamic loved ones and friends are at the beginning
Of the Holy month of Ramadan.
One unlike any in the past held here in United Kingdom.

Confidence in Motion

They too are now reflecting on their Faith
And the words in their Holy Book the The Quran
at a time when they too, are unable to meet for prayers
in their Mosques.

Families are united due to isolation under one roof
They answer the call to prayer within their own homes.
This will bring to mind their Muslim brothers and sisters
in places of conflict where due to warfare and terrorism.
They stay inside in fear.....
The positive is they can share their confinement too
but without the fear of oppression, torture even death.

My personal reflections are bringing more positives to mind.
We are able to live a slower gentler lifestyle.
We can take time to watch the wildlife,
The birds in the trees.
The flowers in our gardens and parks.
The lack of road traffic brings silence,
Peaceful silence enabling us to hear the birds twittering.

The longer we live this slower lifestyle the more the planet can
Heal and recover from our selfish misuse over the years.

We have time to listen to our children,
to play with our children.
We have time to telephone family and friends.
We can spend more time reading, singing, listening to music.
Cooking, baking, sewing, knitting, doing puzzles
And for many tend their gardens.
The best thing to come from this is our ability to
Show gratitude to all key workers and LOVE one another!

My prayer for after the isolation has past is that humankind
Learns to live with one another in unity.
We continue to respect the planet and help its healing.

All people are the same regardless of colour, ethnicity,
Religion or sexuality let us respect our differences
And live together in peace and harmony.
Our Faiths, our beliefs have brought us through
this darkness – use the life you have been blessed with
for the good of others and the planet.

As for now – Stay safe, Stay well and we will meet again
in the sunshine to eat cake!
