

Community Kitchen Meals at All Saints, Winterton: Frequently Asked Questions

Who are the meals for?

For those of any age who wish to eat with others in a friendly setting. It is for **any family/individual** but especially those living alone, those families coping with limited incomes and those whose cooking ability is limited. Potentially everyone!

When will the meals be available?

How frequently will depend on the availability of our volunteers and the demand from those wanting the lunches. It may be weekdays, at weekends or in some school holidays.

How much will the meal cost?

The meal will be 'free' to encourage any family, including children, to take part. You will be asked to donate the expected cost, or more, to help cover costs. Those who cannot do this will be asked to donate what they can afford though this might in some cases be nothing. Expected cost £4 adult; £2 under 16.

How will the payment system work ?

On entry each individual/family will be given a plain envelope. A notice will state how much the meal costs. During the meal they will be asked to put inside the envelope what they can afford to donate and seal the envelope which they will later place in a box. A card reader is also available for those who prefer to use it.

Will meals need to be booked in advance?

Yes. Meals will have to be booked in advance so we can avoid food waste.
